## *2006 Guru Purnima Sri Pada Puja Prasadam*

### ***Panchabhuta Mala***

This special mala consists of five different types of beads which represent the five elements. These five elements are found throughout Creation as well as in the human body and the subtle chakras. Wearing or using this mala will help to balance the elements in the physical body, leading to good health and an energetic mind. The chakras will also be stimulated and brought into a state of harmony. During the Sri Pada Puja ceremony, the mala will become charged with the energy of Amma's Guru Purnima blessings.

### ***Sphatika Padukas***

Sphatika (clear quartz crystal) is a highly auspicious material that attracts the abundant grace of Sri Saraswati Devi, who blesses us with creativity, divine intelligence, and every kind of artistic and poetic talent. These Sphatika Padukas resemble padukas that are resting on a lotus blossom. As sphatika has the power to absorb and retain divine vibrations, these Sphatika Padukas will radiate the divine vibrations of Amma's Guru Purnima blessings.

### ***Amethyst Ganesha***

Sri Ganesha is the one who removes every obstacle in life, whether physical, mental, or spiritual. When He is in the home, life becomes very smooth, and every kind of depression and fear is destroyed. Amethyst is a very auspicious type of crystal that attracts cosmic energy in abundance. The Amethyst Ganesha murtis will become charged with the divine vibrations of Amma's loving Guru Purnima blessings. These figures of Sri Ganesha will also be energized by a special Sri Ganesha Abhishekam performed by Amma herself.

### ***Marakata Ganesha (4-5 in. tall)***

As mentioned above, Sri Ganesha is the one who removes every obstacle and grants cheerfulness, courage, strong willpower, and a good intellect. Marakata (green jade) is associated with Sri Budha (the planet Mercury), who blesses us with a divine intellect and good discrimination. Viewing or worshipping a Marakata Ganesha is therefore a wonderful blessing for positive and auspicious thoughts. The Marakata Ganesha murtis will become charged with the auspicious vibrations of Amma's Guru Purnima blessings. These figures of Sri Ganesha will also be energized by a special Sri Ganesha Abhishekam performed by Amma herself.

### ***Silver Padukas***

This year, a very special prasadam is being offered for the Guru Purnima Sri Pada Puja. It is said that the full and complete grace of the guru flows through the guru's lotus feet. During the Sri Pada Puja, three pairs of silver padukas (sandals) will be placed beneath Amma's lotus feet at key moments during the puja. As silver is a very pure and auspicious metal, the padukas will become highly charged with Amma's divine energy during the puja, and they will then carry the vibration of Amma's most auspicious Guru Purnima blessings. This is a very rare prasadam that is being offered this year.
