

Sri Chandi Maha Homa

Perpetual Sponsorship

Sri Chandi Homa

The Sri Chandi Homa is a very unique, rare and elaborate homa. Sponsoring the Chandi Homa is an act of great merit and brings immense blessings from the Divine Mother. When one sponsors the Chandi Homa¹, one acquires *apara shakti*, immense energy. As a result, even the greatest hardships which may seem hopeless to an individual, may be overcome and all of one's noble desires will become fulfilled.

Pournami

On the full moon day of each month, known as *pournami*, the Trinity², along with all the *devas*, the seven oceans, and all the sacred rivers, worship the Divine Mother. Divine Mother bestows Her auspicious blessings and countless *divya shaktis*, divine powers, upon all those who sincerely worship Her on *pournami*.

The powerful Sri Chandi Homa thus becomes even more potent when performed on *pournami*. The supremely powerful mantras, seed syllables, chanted during the Sri Chandi Homa, completely destroy any hardship one may be experiencing. In addition, one is blessed with bliss and peace.

This unique program offers everyone the opportunity to sponsor the Sri Chandi Homa during the *pournami* of any month, year after year, thus bringing the blessings of the Sri Chandi Homa to oneself and family members on an ongoing and perpetual basis.

Registration

The registration process allows you to select the month in which you wish to sponsor the Sri Chandi Homa. This one time sponsorship assures that the Sri Chandi Homa will be performed on your behalf on the full moon day of the month you select, year after year in perpetuity. For each month you select, *sankalpa* will be performed in your name and *prasadam* will be mailed to the address you specify on the registration form (*please remember to keep SMVA Trust informed of any address changes that may take place over the years*).

¹ The sacred fire ceremony performed as an invocation and offering to Chandi Devi, the Divine Mother.

² The three supreme Gods—Brahma, the Creator, Vishnu, the sustainer, and Siva, the Destroyer. Together, they are responsible for the three aspects of life—creation, preservation and dissolution.
