

Special Kuja Graha Puja

Her Holiness, Amma Sri Karunamayi has recommended that all Her children perform the following puja to mitigate the effects of Kuja Graha (Transit of Mars) which are associated with high temperatures and fire accidents. Kuja Graha is the cause of fire accidents in cities and forests, less or untimely rainfall, war and tension across borders, vehicle, rail and flight accidents. Please perform this simple puja to prevent accidents and untimely deaths.

Perform this pooja everyday between 8AM – 9AM, starting 27th April 2021, through May 11th, 2021.

Procedure:

- Make a diya with dough made from rice flour and water.
- Place two red wicks in the diya and add organic cow ghee.
- Take a new brass plate or a metal*tray and add ½ cup toor dal (yellow split pigeon peas) and spread it on the plate then set the rice flour diya on top of it.

* (Please note that plastic plate or tray is NOT recommended and also make sure the metal tray used is new and only used for puja purposes.

- Place the tray on your prayer altar and light the diya facing the North direction.
- Sit in front of the lamp and chant the Gayatri Mantra 108 times and write it 18 times.
- Write the Subramanya mantra 18 times **“OM SAM SARVANA BHAVAYA NAMAH”**.
- Please follow the above procedure for two weeks and on Wednesday May 12th, discard the lamp in a river or a body of water with flowing water. Otherwise, discard the lamp carefully where no one can step on it.
