O Vijayeswari Devi,
You are like a radiant divine sun, removing all of my
inner darkness and ignorance. You are like the celestial
cow Kamadhenu, fulfilling all of my noble wishes. You
are the true kalpataru tree, providing for all my needs
in this changing and illusory world. O beloved Amma,
with all of my love and devotion, I am offering my soul
at Your divine lotus feet, which have the power
to destroy all sins.
