Experience the Transmission of Divine Energy & Revel in the Spiritual Heritage of Sacred India

Amma Sri Karunamayi, revered as an embodiment of divine motherly love, has dedicated her life to serving humanity. Her mission is to alleviate suffering and spread the light of spirituality, touching hearts and transforming lives along the way.

Amma’s spiritual journey began in early childhood, and included over a decade of deep meditation as a recluse in a forested tiger reserve in South India. These years transformed her into a beacon of love and compassion. After emerging from seclusion, Amma has been sharing her knowledge and blessings with people worldwide, promoting peace, eradicating poverty, providing medical care, education, and clean water to people in great need. Now, for the first time in history, she will be offering sacred energy transmissions at the Parliament of the World’s Religions. She will also lead a divine ritual, known for its ability to open hearts and minds to higher realms.
